STAT

Dear

STAT

In our letter dated October 31, 1961, we advised you of the subscription charges to be reported on line IA of your Annual Accounting Statement.

We have subsequently discovered that the amounts submitted to you for both the "high" and "low" options were incorrectly stated. The total amount, however, remains the same.

The <u>correct</u> amounts to be used on line 1A of the Annual Accounting Statement are as follows:

High Option

\$1,458,723.60

Low Option

131,005.59

Total

\$<u>1,589,729.19</u>

We are sincerely sorry for this error.

Sincerely yours,

Harold E. Hunsaker

Assistant to the Director
